D. R. KAYSER

Dear Mr Kayser;

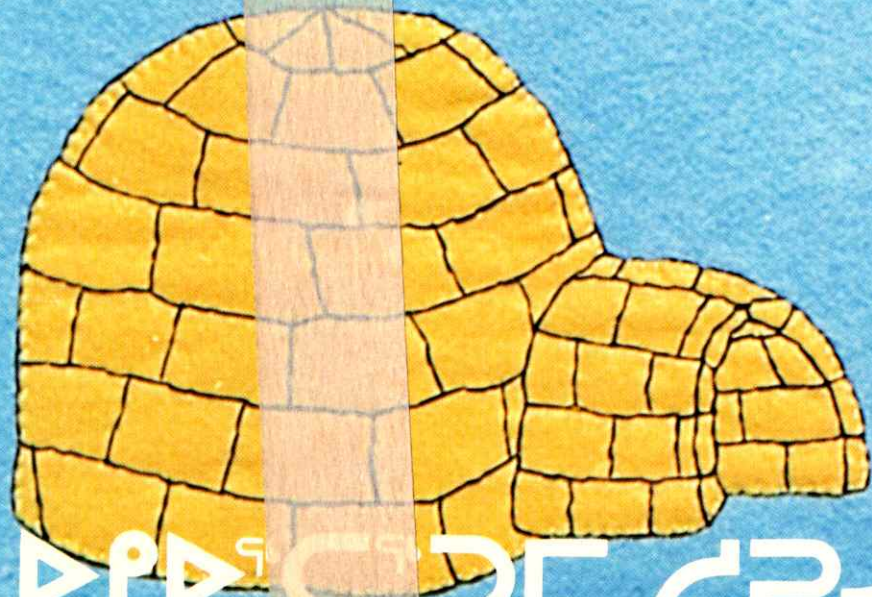

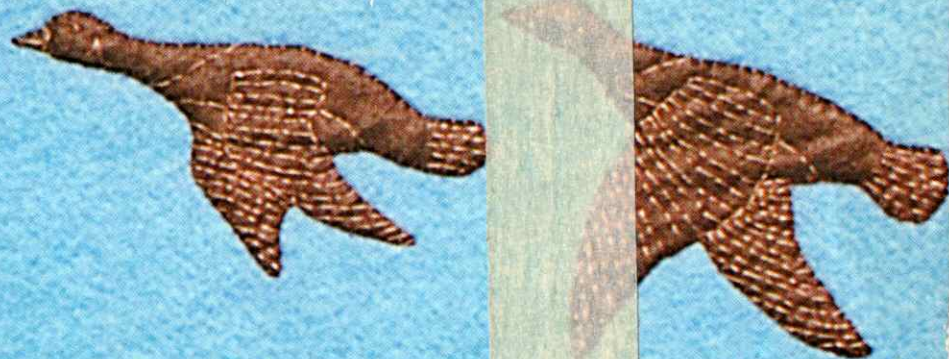

We are glad to send you
a book of Norman Ekoomuk.
We are also awaiting his new books
which have been published in Swiss-
Land recently.

We are advised by the publisher
that all the price of his works
will be increased sharply, because
of this publicity.

Right now we can get a few of
prints of the spirit of Liberty
at \$5.00 at retail, but his sole
agent is not so eager to sell it.

Thank you.
