Dear Dr. Kayser,

Enclosed is an appraisal for your new David Schwarz piece. This should be more than adequate for insurance and resale purposes. As for the last invoice, you can disregard the reference to "Shipping will be billed upon receipt of work". I apologize for any confusion.

I hope you and Mary are thrilled with the piece. I'm pleased that everything worked out. Please let me know if I can be of further assistance.

Best regards,

Bridget young

APPRAISAL 6.15.2001
FOSTER/WHITE GALLERY

ARTIST	TITLE	MEDIUM	VALUE
David Schwarz	<i>Untitled 6-29-00</i>	Hand Blown, Painted, Etched and Faceted Glass	\$7,800

The basis for this value has the usual "willing buyer – willing seller" connotation, due consideration having been given to the status of replacement cost for like or comparable works in the contemporary art market. As such, this estimate of value will be suitable for tax or insurance purposes.
