**INTERNATIONAL REMOVERS**

Florence, June 20th, 1989.

Mr. DONALD R. KAYSER,  
4909 Roberts Road,  
BOISE. Idaho 83705.

Dear Mr. Kayser,

We wish to refer to your letter of May 30th, 1989, addressed to Mr. Veneziano, who gave us a copy of same.

We are pleased to know that the paintings reached you safely.

As far as the packing, shipping and insurance charges are concerned, we wish to confirm you that on May 17th, 1989, we duly mailed to you a letter advising shipping details and the breakdown of our charges, which were requested to you by Messrs. Pritchard of Chicago, on delivery of the paintings.

In case you have not received our advice, enclosed please find copy of same, hoping in this way to clarify all costs involved in the shipment of your purchases.

Will you kindly note that Mr. Veneziano has confirmed to us that he clearly pointed out to you, at time of your visit in his shop, that the cost of the paintings did not include any other cost such as Export Duty on Antiques, which is applicable in Italy to any item presented to the Fine Arts export Office which is over 50 years old and it is payable "ad valorem".

Furthermore Mr. Veneziano allowed you a discount on the original cost of the paintings, in order to please you and take part in this way to shipping expenses.

We hope in this way to have clarified the matter and with best wishes and kindest regards, we remain,

Yours sincerely,
